Debt and Asset Recovery

About Lavelle Solicitors

Lavelle Solicitors has been involved in the provision of debt and asset recovery services since its formation over 26 years ago and our dedicated team has developed a depth of knowledge in this area.

Our experienced Debt and Asset Recovery Group provides a full service from pre-legal advice including negotiation and alternative dispute resolution to the more traditional approach of a formal demand letter, court proceedings, obtaining judgment and enforcement thereof.

Our Group represents banking and financial institutions, loan acquisition companies, government agencies, international firms, SMEs and private clients.

We are committed to providing clients with the best possible service at competitive rates. We are aware at all times of commercial realities and how cases must be advanced in a timely and professional manner in order to satisfy the needs and expectations of our clients.

About our Debt and Asset Recovery Group

Lavelle Solicitors' Debt and Asset Recovery Group strives to provide each client with a prompt and efficient service through all stages of the process from receipt of initial instructions until resolution of the matter.

Our investment in staff and technology means that we are in a position to provide a fast and effective service to clients at a competitive price.

We have a state of the art software system which enables us to efficiently handle large volumes of files for each client.

The system also allows our clients to access it remotely by secure link.

The innovative system allows our clients to:

a) Commence the process themselves by inputting instructions directly;
b) View the status of their files.
